\$3270 PER PERSON (AIRLINE TAX INCLUDED) (Chicago --> MEXICO CITY) (LIMITED SEATS)

& LAYS IIIZEKAK

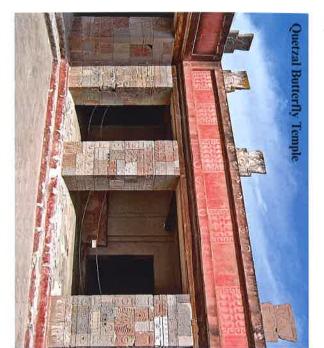

DAY 1) ARRIVAL

Departing from Chicago and arriving in Mexico City. Upon arrival, we transfer to the **Shrine of Our Lady of Guadalupe**, one of the most sacred pilgrimage sites in the world. Here, we attend Mass and take in the spiritual significance of this holy place. Afterward, we head to our hotel for dinner and overnight rest.

DAY 2) TEOTIHUACAN & SHRINE OF OUR LADY OF GUADALUPE

After enjoying breakfast at the hotel, we set off for Teotihuacan, the ancient Mesoamerican city known for its Pyramids of the Sun and the Moon. We explore the Quetzal Butterfly Temple and other significant ruins before having free time for lunch. Later, we return to the Shrine of Our Lady of Guadalupe for a guided tour of its sacred grounds. We then head back to the hotel for dinner and overnight stay.

DAY 3) COYOACÁN & XOCHIMILCO

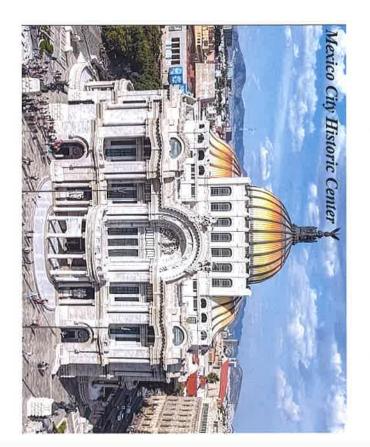

After breakfast, we begin our day in the charming neighborhood of Coyoacán. Our first stop is the Church of St. John the Baptist, a stunning colonial-era church. We then enjoy a guided tour through Coyoacán's vibrant streets and plazas. Later, we transfer to Xochimilco, where we board a traditional trajinera (gondola) ride along the flower-filled canals. Free time for lunch. Our day concludes with Mass at San Bernardino, before returning to the hotel for dinner and rest.

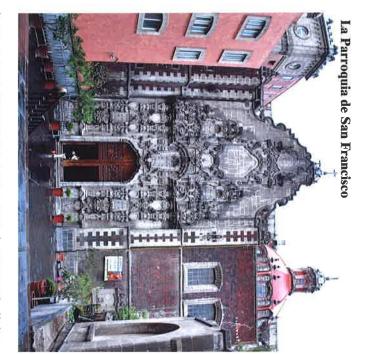

DAY GUADALUPE 4 DOWNTOWN So SHRINE **O**F OUR LADY **9**

explore the historic downtown of Mexico City, where we enjoy free time area before heading back to the hotel for dinner and overnight stay. for lunch and sightseeing. In the afternoon, we take a guided tour of the Guadalupe for a private Mass and time for personal prayers. Later, This morning, after breakfast, we return to the Shrine of Our Lady of , we

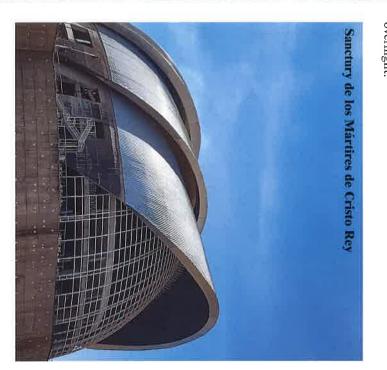

DAY 5) SAN MIGUEL DE ALLENDE & GUANAJUATO

After breakfast, we leave Mexico City and head toward the beautiful colonial city of **San Miguel de Allende**. Here, we explore its picturesque streets and visit **La Parroquia de San Francisco**, where we attend Mass. In the afternoon, we continue our journey to **Guanajuato**, where we settle in for dinner and overnight.

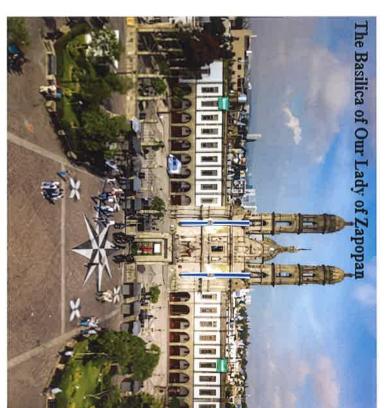

honoring the martyrs of the Cristero War. Santuario Our journey continues to Tlaquepaque, We attend Mass at the Shrine and enjoy free time for lunch. **Juan de los Lagos**, a town famous for its impressive shrine. Today, we depart for Guadalajara, stopping first in San DAY 6) SAN JUAN DE LOS LAGOS & GUADALAJARA to de our hotel in los Mártires de Guadalajara for dinner Cristo Rey, a where we visit the Finally, we monument and

DAY 7) GUADALAJARA: CATHEDRAL & VIRGIN OF ZAPOPAN This morning after enjoying breakfast at the hotel we set out on a

This morning, after enjoying breakfast at the hotel, we set out on a guided walking tour through the heart of **Guadalajara's historic center**, a vibrant area filled with colonial architecture, lively plazas, and centuries of history. Our first stop is the **Cathedral of Guadalajara**, where we join in the celebration of Mass beneath its twin towers and impressive stained-glass windows. From there, we stroll through **Plaza de la Liberación**, a grand open square framed by monuments and

of this beautiful country. Mexico, filled with gratitude for the rich culture, faith, and hospitality have experienced together. Tonight, we enjoy our final overnight stay in to share memories, enjoy regional flavors, and celebrate the journey we our group gathers this evening for a festive farewell dinner interior and an intricate marble altar that draws pilgrims year-round Basilica itself is an impressive sanctuary, featuring a richly decorated destination in Jalisco. Here we we drive to the neighboring city of Zapopan, an important spiritual nearby to taste Guadalajara's famed regional cuisine. In the afternoon there will be time to enjoy lunch on your own, with plenty of options façade and exquisite interior. Following this morning's discoveries, Teatro America. Here, travelers can marvel at the endless stalls offering local fountains, before continuing to the bustling Mercado Libertad (also After time for prayer and reflection, we return to Guadalajara, where known as San Juan de Dios), one of the largest indoor markets in Latin Zapopan, fresh foods, and regional specialties. We also Degollado, an architectural jewel renowned for its neoclassical throughout home to the revered image of the Virgin of Mexico for her miraculous visit the Basilica of Our Lady of pause at the elegant intercessions. Participation Holy Pilgrim Tours and its contracted service providers reserve the right to refuse service or retain any individual whose behavior considered to disrupt tour operations or adversely affect the experience or safety of other passengers. In such cases, no of safe senders. To do so, open an email received from Holy Pilgrim Tours, navigate to the arrow near the email icon located at the far right of the email header, and select "Add To Contacts." A notification stating "Added Email Address to contacts" will appear, confirming that Holy Pilgrim Tours' emails will directly enter your inbox, and services included in the pilgrimage package. anticipated, their equivalent been reserved and paid for, an additional fee will apply. We recommend arriving at the airport early to request your preferred seat assignment. On rare occasions, airlines do not offer seat assignments until you arrive at the airport for short flights. Without Airfare / Land Only and Transfers: If you choose to purchase your airfare independently, you can opt for the "Without Airfare" (or "Land Only") package. Airport transfers to/from hotels will be provided for the entire group together, not airline, please advise us at the time of booking under Special Notes in the Registration Form. We will make every effort to accommodate your request; however, we cannot to the specific carrier. Airport taxes are included in our tour packages and are based on the departure city and government fees (including Federal Inspection Fees for U subject to availability. If you make changes, airfare is subject to change. Any issues related to airline service complaints and compensation should be addressed directly name changes, missed connections, claims for a refund or reimbursement of new airline ticket fees, missing days from the tour, or any other loss or expense incurred by you for any reason whatsoever. Should you be affected by flight changes on the day of departure or after departure, you agree to work directly with the airlines to rebook on the next available flight and arrange for your lodging and meals if necessary. We strongly recommend purchasing travel protection. Please save all receipts. Air given on your travel insurance documents. Mention your plan policy number located on your invoice. Travel Insurance is usually not available for purchase if you are very close to departure date, verify with your travel insurance company the due date for purchasing your intended coverage. Assignment of Benefits In the event of any trip investment. Verify with your insurance company the timeframe for purchasing coverage, especially for preexisting medical conditions, as it starts from the registration date with the initial deposit. Insurance is mostly available to all US residents. To File a Claim: Call your travel insurance company 24/7 Toll-free number that is usually days. Further Cancellation Charges Additional cancellation fees may be applicable under certain circumstances. Once airline tickets, including any upgrades, are issued, they are entirely non-refundable, though some exceptions may apply based on specific airline policies. Additional services booked in conjunction with the Holy Pilgrim must be submitted in writing 35% of the total trip cost. Between 31 and 60 days prior to departure: 60% of the total trip cost. 30 days or fewer prior to departure: no refund is available. Cancellations Cancellations are subject to penalties as follows: More than 101 days prior to departure: a penalty of \$500.00 USD per person. Between 61 and 100 days prior to departure: liability for refund, compensation, repatriation, or any other claims shall be entertained by Holy Pilgrim Tours, ensure that communications from Holy Pilgrim Tours are not overlooked or redirected to your spam folder. To facilitate this, please add Holy Pilgrim Tours to your list Upon receipt, it is the traveler's responsibility to verify all details and to notify Holy Pilgrim Tours via email within 24 hours should there be any errors. It is important to fees for passports and visas; United States Dollars (USD) and are per person based on double occupancy. For Our International Clients Payments made in foreign currencies will be converted to Deposit, Payment Schedule, and Registration A deposit of \$500.00 USD per person, which is non-refundable, is required at the time of reservation via a booking application. This deposit serves to cover services provided by Holy Pilgrim Tours, including, but not limited to, account management and administrative upkeep. The entirety of the payment is due 101 days prior to the scheduled departure. Should a reservation occur within 101 days of departure, full payment shall be required at the guaranteed as airlines may change aircraft, resulting in seat map changes. Seat assignments are non-refundable. If you wish to change your seat assignment after it has to departure, additional costs may apply. Seat Assignment: Holy Pilgrim Tours will make every effort to request your desired seat. However, seat assignments cannot be transportation is provided in economy class or business class (additional cost) on IATA-approved carriers. Business-class upgrades are available at an additional cost and surcharge may be imposed to cover the additional cost of the remaining occupancy. Travel Insurance We highly recommend a travel insurance plan to protect your trip where a partial room cancellation occurs Tours Pilgrimage, such as pre-post stays or other extra services, are subject to the same cancellation penalties unless otherwise specified. Room Cancellation in cases International Air Travel. Final Documentation Final documentation, including name tags, and travel itineraries, will be sent approximately two weeks prior to departure. flight arrangements. To be added to a waitlist, a \$500 deposit is required, which is fully refundable if confirmation cannot be secured within 14 days. All fees are stated time of confirmation. Delays in payments or bookings may result in the forfeiture of specific services, including but not limited to you explore. Meals: We try to accommodate special meal requests by forwarding them to the restaurants we work with. However, Holy Pilgrim Tours, hotels, and restaurants cannot guarantee dietary requests. If you have a high intolerance or an allergy, we recommend bringing your own food. Photography and Videography During Pilgrimage: Holy Pilgrim Tours reserves the right to take photographs and videos during the operation of any tour or pilgrimage and to use them for its purposes thereafter. By booking with Holy Pilgrim Tours, you agree to allow images to be used in such photographs and videos. Guests who prefer that their images not be used charge, usually the price of an additional night. If your flight arrives early in the morning and your room is not ready, you may leave your luggage with hotel staff while hotels allow check-ins during the midafternoon. If you wish to have a guaranteed room ready upon immediate check-in upon arrival, it can be arranged guaranteed. Private Rooms and Single Supplement: Private rooms are available on a request basis, and guests are responsible for additional single supplement fees. Travelers without a roommate will be responsible for the single supplement. Note that some hotels' single rooms are smaller than standard rooms. Hotel Check-In: Most Some hotels offer upgrades on request. Specific requests, such as adjacent or connecting rooms and bedding requests, will be accommodated if possible but cannot be manage three suitcases and showers. Some hotels are not set up for triple rooms, and the third bed might be a sofa bed or a fold-up bed. Room Upgrades accommodations are possible in most hotels without a reduction in cost. Due to the pace of our pilgrimage, we do not recommend triple rooms, as it can be challenging to category hotels without prior notice. private transfers at the client's expense. In rare cases, a tour may be canceled, and any independently purchased airfares are the sole responsibility of the client. Hotel transfers to/from the airport are on a group basis. Should your flights arrive at a different airport than the group or outside of the group's arrival time, individually. Please provide us with your flight schedule via email up to 45 days prior to departure. We can arrange flights independent contractors. The airline ticket obtained through Holy Pilgrim Tours constitutes a contract between you and the airline. Holy Pilgrim Tours is not liable for By using Holy Pilgrim Tours, you acknowledge that Holy Pilgrim Tours acts solely as your agent when purchasing and arranging flights with air carriers, who operate Reservation Once a reservation is confirmed, any modifications are subject to additional fees. Name changes are not allowed.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  must be accompanied by an adult. If this adult is not the parent, or if traveling with only one parent, it is recommended that a notarized letter be written by the parents, or the non-traveling parent, granting authorization and including the dates of the tour (from/to) in case of medical emergencies. We also suggest contacting the appropriate
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    participant for walking, dining, while in their room, on flights, getting on and off motor coaches and other vehicles, or other personal needs. A qualified and physically able companion must accompany passengers who need special assistance. It is the Traveler's responsibility to arrange for such assistance prior to making their reservations. We will make an effort to accommodate disabled passengers by reserving wheelchair assistance at airports and handicap accessible rooms where available; however, we
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   locations, far from medical facilities. Holy Pilgrim Tours pilgrims assume all associated risks and complete responsibility, including illness, injury, or even death by participating. You agree to indemnify and hold Holy Pilgrim Tours harmless from any claims made against Holy Pilgrim Tours by anyone else related to your participation.
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          in connection with any inclusions or other provisions of any goods or services included. There are inherent risks in travel as our tours go so locations, far from medical facilities. Holy Pilgrim Tours pilgrims assume all associated risks and complete responsibility, including illness,
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                for the late arrival or departure of passengers at airports or hotels due to inclement weather or other reasons, nor are we liable for payment or any refund for transfers or unused service, hotel accommodations, or meals occasioned by such late arrivals at the hotels holding rooms as confirmed itineraries. Passengers must bear all such losses
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      omission, or event during the time you are on tour, or on board the aircraft. Neither Holy Pilgrim Tours nor the agents of the suppliers concerned are to be held responsible for the late arrival or departure of passengers at airports or hotels due to inclement weather or other reasons, nor are we liable for payment or any refund for transfers or
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     operator. The suppliers providing air or ground transportation, sightseeing arrangements, and hotel accommodations for the wur program are not comproved to the Pilgrim Tours. By utilizing Holy Pilgrim Tours' services, you agree that Holy Pilgrim Tours, its employees, officers, and agents will not be liable for any change in flight
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            loses your luggage, nor can we be responsible for the loss or damage of luggage and personal effects due to breakage, theft, or fair wear and tear through hotel, airline, and ground transportation handling. It is important to have adequate insurance to cover these eventualities. Responsibility Clause: Holy Pilgrim Tours acts as a tour operator. The suppliers providing air or ground transportation, sightseeing arrangements, and hotel accommodations for the tour program are not employees of Holy operator.
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           the country of visit regulations. Amendments: Forum Selection and Choice of Law: This agreement shall be governed and interpreted pursuant to the laws of the State of Illinois by mutual agreement of the parties hereto, and the federal and state courts in Illinois shall have exclusive and sole jurisdiction over any dispute, controversy, or suit arising relative to this agreement. Disputes/Class Action Waiver: You agree that you will only bring claims against Holy Pilgrim Tours in your individual capacity
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            travel.state.gov or by phone at 888-407-4747. In the event of a State Department Travel Advisory against travel to the specific destination location(s) of the trip, should
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      client/guest/pilgrim to become informed about their destination with
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             child is defined as anyone between the ages of 24 months and 11 years for the entire duration of their trip.
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 are not liable for any restitution. Additionally, Holy Pilgrim Tours is not responsible for any injury, financial or physical loss, death, inconvenience, traumas, or damages
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  terrorism, force majeure, act of God, civil unrest, illness,                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      control. In circumstances where trip cancellations result from the inability of the trip to depart or operate as scheduled, such as cancellations due to acts of war and/or
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            or expenses.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         occurrence or conditions beyond its control, including defects in vehicles,
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    damage to you or to those traveling with you in connection with any accommodations, transportation, or any other services or resulting directly or indirectly from
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              are asked to advise us in writing at any time prior to departure and to identify themselves to their local tour guide at the beginning of the pilgrimage. Baggage: Each tour participant is permitted to bring one carry-on bag (8" x 14" x 22"), one personal item (e.g., purse, laptop case), and one checked bag weighing up to 50 lbs (23 kg) with
purposes for Holy Pilgrim Tours. In addition, any online comments published or submitted by Pilgrims pictures shared with Holy Pilgrim Tours, may be used for Holy Pilgrim Tours promotional purposes.
                                                                                                                                                                                                                                                                                                                                                                                                 agency request.
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        traveler) acknowledge and agree that such personal information may be transferred to our authorized offices, partners, or in compliance with a formal law enforcement
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        correspondence is received by email to inio@holypugrimtours.com within 30 days of the tour completion date. This will enable us to make a timely investigation. Printing Disclaimer: Holy Pilgrim Tours is not responsible for typographical or print traveler errors, including errors in trip costs. Occasionally, local religious holidays, national days, traffic conditions, and other events may necessitate
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          consulate and airlines, as they may have additional requirements. An infant is defined as anyone who is under the age of 24 months for the entire duration of their trip. A
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    must be accompanied by an adult. If this adult is not the parent, or if traveling with only one parent,
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 personal item, e.g.,
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            occurs prior, during, or after the tour. Pregnant women are advised not to travel after six months of pregnancy and are recommended to bring a companion; note that the
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          outside the U.S., where the Americans with Disabilities Act is not applicable, and facilities for disabled individuals are limited. The touring motor coaches are not equipped
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   We will make an effort to accommodate disabled passengers by reserving wheelchair assistance at airports and handicap accessible rooms where available; how cannot guarantee and are not responsible for any denial of services by carriers, hotels, restaurants, or other independent suppliers. Be aware that our tours are
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        report any disability requiring special attention to Holy Pilgrim Tours at the time of registration. We regret that we cannot provide individual assistance to any tour
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               longer attend, your reservation                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    Assigned Priest, Guest Speaker, Group Leader, or Tour Guide: In the rare event that the assigned spiritual director, guest speaker, group leader, or tour guide can no
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  or itmerary schedule, strikes, delays, acts of governments, fires, riots, theft, pilferage, epidemics, quarantine, medical or customs regulations, accidents, loss, injury,
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    Tours is not responsible for the loss, theft, delay, or damage to a participant's belongings.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            maximum dimensions of 62 inches (158 cm) (length + width + height). Please check with your specific airline to verify the size and weight allowances. Holy Pilgrim

For value received, you agree on behalf of yourself, your heirs, and assigns ("Your Behalf") that you assume all risks and waive any claim of liability of any nature whatsoever against, and agree to indemnify and hold
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 backpack, pocketbook) with backup medications in your carry-on. Young Travelers: Travelers who are less than 18 years old on the departure date
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                in connection therewith.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           the most current travel advisories by referring to the U.S. State Department's travel website
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           breakdown in equipment, theft, delay or cancellation of, or changes in itinerary
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    There are inherent risks in travel as our tours go sometimes through remote
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              it is recommended that a notarized letter be written by the parents,
